Recreation Com wants lotsa land Selectmen sign 47 article Town Meeting Warrant

Wilmington's Board of Selectmen has signed the 47 article Warrant for the annual Town Meeting. It is now official. The Warrant is being published in this week's Town Crier, and is being posted by the Town Constable, John Imbimbo, as is required by law.

The selectmen have noticed, somewhat to their surprise that the Wilmington Recreation Commission has an article (Article 10) which asks that the town turn over some 80 or 90 acres of land in North Wilmington to the care of that commission. In their first reviews of the Warrant it was assumed that low value land was involved, and it wasn't until it was learned that the land is dry, and among other things about Andover's industrially zoned property that the selectmen began to give the article some second thoughts. It seems there was no prior consultation between the two boards.

The land the Recreation Commission seeks to take over is at the northerly side of Ballardvale Street, easterly of that road. It is "paper" streets which the Town

Meeting wiped out during the past year, when it adopted an Official Map for Wilmington.

During the past half century land has been owned in that area is a "checkerboard" fashion by half a dozen or more would be land assemblers. Most of it was bought during land sales by the town. Among those who can be named as having been owners of land there are the late Steve Bean, who was for many years the Superintendent of Schools in Wilmington, and the late Rev. Arthur Simmons, pastor of the Congregational Church. Mr. Simmons was seeking to assemble land for the use of Boy Scouts.

As things now stand about 90% of the land is now town property, having been taken for the non-payment of taxes.

FOR GOD AND COUNTRY AWARDS: Were made last Sunday, at the Wilmington Methodist Church, by the Rev. Willis Miller. Girl Scouts Barbara Allen and Barbara McQuinn were awarded the God and Country medal, and Eagle Scout Ken Walley and Scout Jim Passmore received the God and Country medals.

Ainsworth Road acceptance - maybe?

It is possible that a way may be cleared for the town to accept Ainsworth Road in North Wilmington. Acceptance of the road has been hanging fire for a dozen years, while assorted officials and attorneys have attempted to straighten out a mess that was left by a former Town Manager.

A letter was accepted by the Selectmen, in Monday night's meeting, from Town Counsel Alan Altman. Apparently the letter advised on methods to straighten out the legal mess. Selectmen who scanned the letter used the word "Betterments," implying that Mr. Altman may perhaps be proposing that all abutters share in the cost of road construction. The letter has not yet been studied.

An official of Norwester, Inc., in a building on Ainsworth Road

was talking to the Selectmen several weeks ago about the possibility of having the road accepted. The firm wished to purchase their building, and perhaps enlarge it. They cannot do so handily unless the road is accepted by the Town.

CAROL FROST WILL STUDY PUBLIC TRANSPORTATION

Governor Francis Sargent has recently appointed Mrs. Carol Frost of 260 Lowell St., Wilmington to the Special Commission providing for an investigation and study relative to the feasibility of extending and expanding public transportation from Boston to the Wilmington area by the Massachusetts Bay Transportation Authority.

An anonymous letter to the Attorney General

It seems that someone has written a letter, anonymously, to the Commonwealth's Attorney General, complaining of the K of C Hall, off School Street. At least there have been rumors in Wilmington for the past week of such a letter.

Attorney Joseph Courtney, Monday night, presented the Board of Selectmen with a petition for a license to serve alcoholic beverages, and a petition for a license to become a Function Hall. He was acting in behalf of the K of C, and with him were Joe Steen,

the Grand Knight, and Mr. Hatchey.

The selectmen did not set a date for a hearing.

Also present were four men, residents of School Street and/or Drury Lane. Two of them, Frank Bellevue and Don Tutela, discussed the definition of a Function Hall with Chairman Jim Banda, and a definition was volunteered by Atty. Courtney, but no agreement was seemingly found. Mr. Tutela held that a Function Hall would best be defined by a zoning definition.

Second fatality on Burlington Avenue

Wilmington experienced its second auto fatality in 1974 last week when a car, later demonstrated to have been stolen, crashed into a tree on Burlington Avenue, near Chestnut Street. The earlier fatality had been nearby, on Burlington Avenue, nearer to Harris Street.

The person who was killed was a young man from Lowell. He started the car he was driving when he spotted a Wilmington police cruiser coming near, with blue light flashing, and drove westward at a high rate of speed, crashing into the tree.

The driver of the police cruiser was Officer Rooney.

Three new voters in 20 hours

Members of the Wilmington Board of Registrars were present in the Town Hall from noon to 10 pm Saturday to register any new voter who might show up. There were none.

Monday was also a Registration Day. Two new voters were registered during the daylight hours, by the Town Clerk, and the Board of Registrars had one new voter, Monday evening.

Reading Municipal Light explains Fuel Adjustment

The fuel adjustment on your electric bill is getting to be a larger and larger amount each month and you certainly want to know how it is figured and why.

The amount charged per kilowatt hour that you use relates to the amount of fuel it takes to produce that kilowatt hour plus some other factors.

The Reading Municipal Light Department purchases all of its power that it sells from the Boston Edison Company so this fuel adjustment relates to the cost of Boston Edison's own generation and purchases from others.

When fuel costs were stable, there was no fuel adjustment on electric bills. Power companies could then include the cost of fuel needed to generate their power in their basic rates and be quite certain that they could fully recover their costs.

When fuel costs began to increase initially due to clean air requirements and now due to shortages, power companies needed a method by which they could quickly recover these increased fuel costs and as a result the fuel adjustment factor was developed.

The basic price the Reading Light Department pays to Boston Edison includes an oil cost of \$1.72 per barrel (42 gal.) or 4.1¢ per gallon. The fuel adjustment covers the cost of oil over and above the 4.1¢ per gallon or \$1.72 per barrel cost.

For every increase of 60¢ per barrel of oil, the fuel adjustment increases by 0.11¢ per kWh.

The increase in the fuel adjustment is moderated substantially when Boston Edison's Pilgrim Nuclear Plant is running. During the Spring and Summer of 1973, the Pilgrim Plant produced nearly one-third of Boston Edison's power, but recently it has been shut down so fuel adjustment costs in March and April will be close to

Real Estate talks at Planning Board

The Wilmington Planning Board again discussed plans for a house lot at the end of Wilton Drive Tuesday with engineers for the Chisholm family of Aldrich Road, who own over 17 acres of land in the area. Fred Dewsnap, one of the senior engineers in the Reading firm of Dana F. Perkins was present as well as Richard Cutts, who has been handling the case.

Plans were presented for a 60,000 foot lot at the end of Wilton Drive, and answers presented to all previous objections of the Planning Board. Mr. Dewsnap told the Planning Board that his office had experienced more "trouble" with this development than any other with which he had experience. The Chisholm family, he said, is providing land for a home for a son and his wife, and does not seek to

release any more land to any person.

Two New Hampshire men were at the meeting later, to discuss the purchase of Lucaya Estates, which formerly was a part of the Anderson Farm on Park Street.

The discussion centered on arrangements for the development of the street systems, so as to ensure bank financing. The Planning Board was told that it was hoped to complete the subdivision in about two years.

William MacKinnon, Planning Board member told them that nine lots of land, restricted for use for three years, would be purchased by the town if he could convince the Town Meeting. MacKinnon thought the use of the land would threaten the Wilmington well system at the confluence of Martins Brook and Gowing Brook.

Street Layout Hearings will be next week

Street layout hearings are scheduled for next Tuesday at 8 pm in the Town Hall, by the Wilmington Planning Board, and for a week from today by the Board of Selectmen. The Planning Board hearings include anything pertaining to zoning, in the coming Town Meeting, while the Selectmen hearings pertain strictly to streets that are to be altered or accepted.

Pete Liebermann, who is the only engineer in the Town Engineer's office at this time is a busy man trying to keep up with all the work. He has finished some plans, but others still have to be made.

One of Liebermann's problems is Winter Street, near the Tewksbury line. As plotted half a century ago it was to be thirty feet wide. Liebermann is trying to draw plans for a forty foot wide street without, for instance, destroying someone's sewer system, and at the same time keep costs down.

Plans for Industrial Way and Scitritto Drive were submitted to

the Planning Board Tuesday evening, and approved.

Wilson Belbir, of Morse Avenue, Monday at the Selectmen's meeting and Tuesday at the Planning Board meeting brought in petitions signed by about seventy-five residents of the Woburn Street - Morse Ave. - Brentwood Ave. area. It asked that the boards of Wilmington give their "undivided attention" to the problems of Woburn Street. In effect the petition endorsed the present planning by the Planning Board for a Woburn Street By-Pass.

Mr. Belbir was rewarded for his efforts by being appointed to the Wilmington Beautification Committee by the Selectmen.

Student Officials elected

High School students are preparing to take over the government of Wilmington for a day - and the town officials will like it.

Student officers were elected on February 5th, and they have in turn appointed other officers. All will join the Student School Committee, which was elected last spring.

After the school February vacation the boards and officials will be attending the meetings of the Wilmington officials. These activities will culminate in a Student Government Day, on April 5th, in which the entire day will be spent in governmental activities, and which will be the predecessor of a Student Government Banquet, that evening.

The program is being sponsored by the League of Women Voters of Wilmington.

TEAM HEE, High School athlete from Harris Street was the only member of the Indian Track Team to have a double victory, in the Merrimack Valley Conference Track Meet in Andover, Monday.

He is shown receiving the congratulations from an obviously pleased coach Francis Kelley.

No fence needed says Planning Board

A two acre pond in North Wilmington, part of the Corn Meadows subdivision is jokingly being called "Lake Tighe" by members of the Planning Board. Jim Tighe, of Chestnut Street was one of the two developers of the area, and is now the sole owner.

Original plans for the pond called for a depth of water of about eighteen inches, a plan which was approved by local authorities and the state Department of Natural Resources (DNR) under Hatch Act proceedings. In developing the pond it was discovered to contain a large amount of iron ore, as well as a large amount of peat. The peat was over seven feet in depth.

Mr. Tighe has finished excavations, which included taking out all the peat, and the resulting

changes in depth are now being considered by the Wilmington Conservation Commission, which will forward its recommendations to the DNR. The Conservation Commission sent a note to the Wilmington Planning Board explaining what had happened, and that Mr. Tighe would be willing to build a fence around the pond.

Tuesday night the Planning Board replied that they did not feel a fence should be constructed. The members felt that leaving the peat in the area would not have been good, and that without peat there would be better ice in the winter. A fence would hamper any rescue operations, they felt, if a child should get into difficulty in the pond, but would not guarantee keeping a child from the pond.

THEY SHOUT LOUDER AND LOUDER

TROOP 63 MAKES A LOT OF NOISE: The Boy Scouts in Troop 63 of Wilmington have a chant called "I Chew" and it is something like the Military Drums song of years ago. It that if the words were spelled properly they probably would make sense. Tommy Bottoms in the Scout who leads them through the chant so it goes and grows in volume. The Scouts in the picture above were promoted, last Friday, in a Scout Court of Honor.

Your muscles are never completely relaxed, even when you are sleeping. The slight but constant contraction of your muscles—called tonus—keeps on whether you sleep or not.

Because of tonus, your muscles are all ready to start an action as soon as a signal comes from your brain.

A muscle is like a runner crouched at the starting line, waiting for a signal to start. A rested body has an increased tonus, where as when you become tired, your muscle tonus decreases.

PACK 136 PINWOOD DERBY

Cubscout Pack 136 held its annual Pinewood Derby last week at American Legion Hall in Wilmington. It took place following the regular meeting at which Den Three conducted the opening ceremony.

Cubmaster David Fillo awarded Mark Metcalfe of Den Two a Wolf Badge, a Gold Arrowpoint, and a Silver Arrowpoint. Webelos Activity Badges were presented to Artist - Stephen Barlow and Mark Melanson; Engineer - Michael Crimmins; and Scholar - Scott Romanowski. The theme of the month was "Transportation" and Best Exhibit Ribbons went to Den One for first place and Den Two for second. An Activity Ribbon was awarded to Webelos Den One.

With 250%, Den Three won the Attendance Bearskin Plaque. Following the business meeting, the Pinewood Derby was held, beginning with the elimination run-offs, which left the following cubs to take part in the finals: Den One - Larry Sullivan; Den Two - Allan MacDonald; Den Three - John Giroux; Webelos Den One - Noel Jones and Webelos Den Two - John Peterson.

With a tenseness that would rival any Indianapolis 500 crowd, the Championship race was on and led to the following three winners: First place, John Peterson; second place, John Giroux and third place Allan MacDonald. Presentation of awards was made by Cubmaster Fillo.

Following the official race, Phil Fenton, husband of the Assistant Leader of Cub Den One, challenged Champion John Peterson to a race against a car that he made himself. John Peterson accepted the challenge and soundly defeated Mr. Fenton, who was a very gracious loser.

Next month, the Blue and Gold Banquet will be held on Sunday evening, March 3rd, at the American Legion Hall.

200 Hours of Volunteer Aid at Woburn Rehabilitation

The Woburn Rehabilitation Center, off Route 3 near Four Corners in Woburn is a medical facility for assisting persons who have become crippled because of disease or accident to recuperate their powers. It is operated by Buddy LeRoux, of the Boston Red Sox.

There have been cases of individuals who have recovered the use of arms or legs reported in the Town Crier, and, of course many other cases which did not come under the scope of this publication. The Center may be likened, in a way, to a specialty hospital.

Young ladies who have been assisting in a volunteer status, like the Candy Strippers in hospitals, are called Volunteers. There is quite a staff of Volunteers. Some of them were honored for their services, Monday night, including Miss Lynn Colpitts of Star Avenue, Tewksbury, who has completed 200 hours of Volunteer duty.

We're Still No. 1

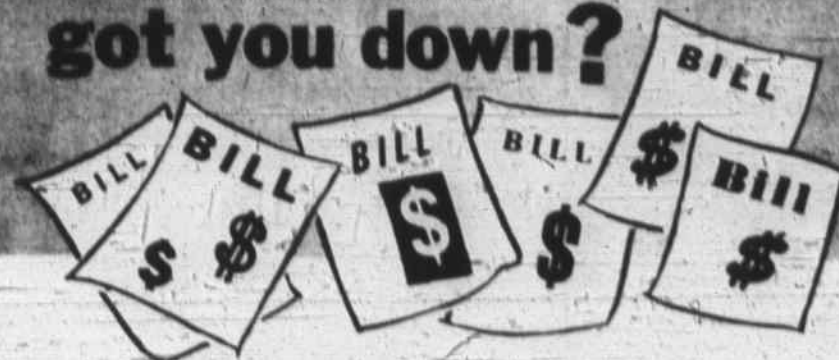

Last year — for the second year in a row — we outsold every other Datsun dealer in Massachusetts. (And, once again, we were second in all of New England.) That means in the three short years we have been in business, we've come out on top 2 out of 3 times. We think that says a lot about our organization... its people, products, and the quality of service we give our customers. But above all, we feel the primary reason for our success has been our dedication to the slogan printed on our company stationery. That slogan reads: "We Want Your Respect As Much As We Want Your Business." Please remember that slogan — and the dealership that uses it — when you're ready for a Datsun. We think you'll be glad you did. By the way, next Monday is Washington's Birthday, the best day of the year to shop for a car. Why not come in and see all the new Datsuns. We'll be open from 9 A.M. until 9 P.M. and there will be free refreshments for everyone.

Wilmington will vote by the color

For the first time in history Wilmington voters will be voting by precincts, in the annual election in March.

Six precincts have been established in Wilmington in accordance with a statute passed by the legislature last year. But, instead of having six voting places, one in each precinct, there will be only one, in the High School gymnasium. It is a matter of saving money. Wilmington's selectmen have decided it is cheaper to open one voting place than six.

But within the gymnasium each precinct will have its own battery of voting machines. Each set of four machines will have a different flag or color to distinguish it from the others. The colors will be chosen by the Town Clerk, Mrs. Esther Russell.

A voter, when he passes through the line of election clerks will be given a card which will be colored according to the precinct in which he lives. He will then go to the voting machine which has the same color displayed. He can go to no other, for there will be an alert group of ladies, serving as voting officials, to make certain that each voter votes on machines designated for his precinct.

The purpose of all this is to enable all votes to be counted by precincts, after the polls have been closed. Of course there is a deeper purpose too - the legislature wants all towns cut up into precincts so as to make re-districting of Representatives and Senators easier. But that is another story.

Elsewhere in this issue is a map of Wilmington, prepared by the Town Crier, which should enable the voter to determine the precinct in which he lives.

During the day of elections there will be displayed in the hall outside the High School gymnasium a list of streets, to enable the voter to find out where he lives, that is, the precinct. It is being prepared by the Town Clerk.

Southerly by said street about four hundred eighty-two (482) feet to point of beginning.

Containing 10 acres of land, more or less, or however otherwise said premises may be bounded, measured or described; or do anything in relation thereto. (Petition of Henri P. Chinn)

Late in the stanza Frank Mattley put the Bulls on the board with an unassisted power-play goal.

Jerry Delaney closed the gap to one for the Bulldogs with a score late in the middle frame with Mattley assisting. The Runners gained some breathing room midway into the final frame when Lyver scored at 7:17 with Bulloch assisting.

Turnovers in the second half, and the inability to convert at the foul line (2 out of 10) proved to be the Wildcats' downfall as the Golden Warriors maintained a 33-25 scoring edge and this proved to be the margin of victory. Good board work was turned in by Tom Woods, Bill Eckberg and Doug Stewart. Burns and D. Stewart hit 15 and 12 points respectively to lead the offense.

The Junior varsity lost their second straight, as the Warriors bumped them off to the tune of 63-34. Coach Stone's club is now 9-7 on the season.

WILDCAT TALES

SHUTOUT GOALIE. Dean Devlin is flanked by goal scorers Brian Godfrey and Dana Mullarky after the Wildcats 2-0 upset win over the Redmen in MVC action February 6th.

Wildcats revert to form

Fri. Feb. 8. The varsity basketball club went back to their losing ways, bowing to Chelmsford, 72-38 as they could only muster 25% of their field goal attempts. The Lions jumped out to a 15-2 first period lead and the outcome was never in doubt. Chelmsford maintained their space posting leads of 29-18 and 51-30 at the end of the second and third stanza.

Doug Stewart turned in a steady game, tossing in 12 points while hauling down eight rebounds. Tom Woods ran into early foul trouble and this hurt up front as the Lions were able to contain both boards. Bob Burns hit for seven points in his initial varsity debut, while Bob Stewart and Bill Eckberg added six apiece.

In the preliminary contest the Jayvees saw their six game win streak go by the boards as they lost their sixth game of the season to the Lions JV's, 57-39. Bob Burns led the scoring attack with 10, while Dana Rousseau and Paul Ciarriani added eight each.

Tue. Feb. 12. Andover withstood a Wildcat uprising to hand the varsity their 13th seasonal loss, 11 in conference play, by a 53-47 count. In the first half Coach DiSarcina's quintet had good efforts by Doug Stewart and Bob Burns and led 22-20 after sixteen minutes of play. In the half the Wildcats hit on four of five free throws and this was a pleasant surprise.

Turnovers in the second half, and the inability to convert at the foul line (2 out of 10) proved to be the Wildcats' downfall as the Golden Warriors maintained a 33-25 scoring edge and this proved to be the margin of victory. Good board work was turned in by Tom Woods, Bill Eckberg and Doug Stewart. Burns and D. Stewart hit 15 and 12 points respectively to lead the offense.

The Junior varsity lost their second straight, as the Warriors bumped them off to the tune of 63-34. Coach Stone's club is now 9-7 on the season.

Hockey squad play improves

The vastly improved Wildcat hockey sextet kept in contention for the fourth spot in the MVC standings this past week with a win over second place Tewksbury. Wilmington battled Billerica over the weekend and was blown off the ice score-wise, but skated one of their best games thus far.

Wed. Feb. 6. The Wildcats upped their slate to 6-5-3 with a hard fought 2-0 win over Tewksbury. Dean Devlin continued his excellent play in net stopping all 14 of the Redmen shots to post his third shutout of the season. Devlin got plenty of protection up front from the rest of the squad, which was a vast improvement over the puckster's last two showings.

Dana Mullarky and Brian Godfrey lit the lamp for the Wildcats, with both scores coming in the second period.

Sat. Feb. 9. The Billerica Indians clinched their second consecutive MVC title in two years with a convincing 6-0 whitewashing of Wilmington. The local pucksters started out checking the Indians closely and

gave the champs a run for their money throughout the contest. The Indian skaters scored twice late in the first period, and were off to victory.

Wilmington put out its all in an effort to stop the Superior Billerica squad and played their best game this season against Coach Richard's squad, despite the outcome.

Devlin and Kris Hinckman guarded the Wildcat's net and between them stopped 28 or 34 of the Indian's barrage. Art Jean turned away all ten Wilmington shots in recording the win.

The Wildcat's slate now registers at 6-6-3 and Wilmington has three games remaining in regular season action.

Stewart sparks fresh hoopsters

Tue. Feb. 12. Jim Stewart threw in twenty points and Dave McMillan provided 10 more, including a vital one-and-one in the waning seconds, to cement a satisfying 45-41 win over Andover East Junior High.

Trailing 26-17 at the half, Coach Malay's quintet tossed in nine unanswered points, while holding Andover scoreless for 5 1/2 minutes to turn the game around. Jim Doyle ran the floor attack, while Mike Moore, Paul Leach and Steve Wigchell provided the defense and

rebounds. It was the third win of the season for the frosh, against seven losses. The boys have played well at times, but inconsistently, failing to capitalize on opportunities against their weaker opponents.

Two home games remain. Against a powerful Andover West Junior High this afternoon and against Austin Prep next Tuesday. Both games are listed for 3:15 pm at the West Intermediate School.

Girls ice hockey...

Thurs. Feb. 7...The Recs-Gold sextet ran their winless skates to nine with a scoreless tie with Haverhill as the MVLHL race continues to tighten up. Goal tender Cindy Laquidara kicked out 12 shots, while her counterpart Jane Brennan was equal to the task of stopping all the Recs 15 shots.

Sun. Feb. 10...The Maroons posted their initial win of the season with a convincing 4-0 triumph over the Andover Squaws at Merrimack College. Lisa Pellerin fired home the game winner at 5:33 of the opening frame with Cheryl Sullivan assisting.

In the middle stanza Maureen Matarese flipped home a 10 foot back hand with Janelle Fitch assisting. In the last period Fitch with Matarese helping and Beverly Bicknell with Fran Johnson assisting closed out the scoring. Cathy Bristol stopped 14 Andover shots in the Recs nets.

Tonight the Gold skaters go up against Andover with a shot for the league lead in the balance. In their two previous outings with the Squaws, the Recs posted a 5-1 triumph on October 28 and came from behind to tie Andover 2-2 on January 3rd.

Basketball...

Wed. Feb. 6...The Chargers rolled past the Tigers, 34-12 behind the scoring of Tommy Carroll (28) and Neil Wetzel (9). Craig Vokey turned in another good performance for the Tigers, tossing in eight points. In the other junior boys tilt the Chiefs belted the Broncos, 30-12 with Billy Liston and Gregg Moulton tossing in 10 and eight points respectively, while Don Lombardi hooped four for the Broncos.

Silver Lake Pharmacy topped Converse Rubber, 56-59 in the only adult game scheduled. The pharmacy quintet led 25-18, 40-35 and 64-37 at the period marks to bring their seasonal record to 4-5. Mickey Sullivan and Keith Anderson tossed in 27 and 25 each to pace Silver Lake, while Gabe Almeida scored 22 for Converse.

Sat. Feb. 9...The Fawns continued on their winning ways with a 17-12 triumph over the Pandas. The win gives the Fawns the girls' junior crown in the initial year of competition, as they have a four game lead over the Pandas (5-4) with only three games to play. Sherry Bearse (eight) and Diane Doyle (seven) led the Fawns offensive attack. In the other contest, the Bunnies slammed the winless Kittens, 36-6 with Cheryl Lapper and Susan Rowe leading the way with 12 and 11 points respectively.

In the opening encounter of the three game senior girls slate, the Rubys came from a 9-6 half time deficit to pull out an 18-14 victory over the Emeralds. Mary Lou Simmons (six), Gail Knott (five), and Jane Conlin (four) led a well balanced Rubys attack, while Debbie Cook fired in 12 of the 14 Emerald points. The division leading Jades (5-0) had to come from behind to whip a stubborn Crystal club, 19-14 to maintain their unblemished record. Barbara Moulton and Lydia Nolan led the victors with six and five points each while Helen Bailey and Kathy Hall scored four apiece for the upset-minded Crystals. In the final girls' game of the day, the Opals ran off 13 straight points in the second half to overcome an 8-5 half time deficit enroute to a 25-20 win over the slipping Diamonds. Donna Lucci led the Opals surge with eight points, seven in the second half. Diane Cook tossed in 12 for the Diamonds, who have fallen three games behind the Jades.

The Chiefs ran their record (9-1) with a convincing, 41-29, triumph over the Jets to highlight the boys action. Eric Wood tossed in 34 points to lead all scorers. Eric hit on eight field goals in the second half to break open a close game as the Chiefs led by six, 18-12 after one half of play. Paul Burke hooped 12 for the slumping Jets. The Patriots remained one half game in back of the division leading Chiefs with an unim-

pressive 42-10 triumph over the Tigers. Peter McMillan and Chris Nolan tossed in 14 and 10 respectively for the Pats, while Brian Todd and Craig Vokey scored four each for the Tigers.

The Raiders moved into fourth place, only two games behind in the loss column with a hard fought 18-17 triumph over the improving Lions. Dave Woods and Vin McCoy tossed in five points each for the Raiders, while Paul Bush of the Lions hit for a career high of 12 before fouling out in the last stanza.

In the final junior tilt, the Chargers remained in contention for the divisional crown with a 37-18 triumph over the Broncos. Neil Wetzel and Tommy Carroll led the Chargers attack with 15 and 12 points each. Mike DiNuzzio tossed in eight for the Broncos.

In the senior boys' two team bill, the Pistons upset the Bullets, while the Knicks ran past the Royals. The Pistons came from a 25-22 half time deficit to knock off the Bullets, 45-43. Bob Walsh fired in 21 points to lead Coach Mulno's club, while Scott Gordon and Jim Hadfield tossed in 18 and 10 for the Bullets. Dave Maloney tossed in 36 points to lead the Knicks into first place with their convincing win over the Royals. Paul Leach scored ten for the cellar-dwelling Royals.

Super-Stars ran over Analog, 100-44 in the only adult clash played as the Newhouse-Silver Lake game was postponed until Sunday February 17th. Tom Beaton (26) George Pratt (22) and Paul Lyman (14) led the Stars, while Ken Richards tossed in 17 for Analog.

Sun. Feb. 10...The Lakers topped the Royals, 47-33 to move into a third place tie with the Pistons and the Knicks moved one game up on the Bullets with a 45-32 triumph over the Celtics.

The Lucky Ducks came on with a flurry in the final quarter to defeat Converse Rubber, 73-62 in the adult encounter. The Ducks led 16-10 after one period, and then only 48-46 after three before exploding for 25 final quarter points to put the game out of sight. Jim Tidsley and Paul Abare led the Ducks with 24 and 20 points respectively. George Arthur and Don Wolcott paced Converse with 21 points each.

Mon. Feb. 11...The Eagles came from one point (7-6) half time deficit to whip the Hawks, 12-4 in the opening intermediate game. Dave Driscoll paced the division leaders with eight points, while Dave Staffers tossed in four for the Hawks.

In the second encounter of the night, the second place Ravens ran their mark 7-4 with a convincing, 24-4 triumph over the cellar-dwelling Owls. Mike Moran and Ken Marshall paced the Ravens with eight points each.

WILDCAT TALES CONTINUED

Trackmen in satisfying performance.

Sat. Feb. 9...The Wildcats showed that their fine record this season was no fluke as they scored in the two final events in the state trials at Reading High. As a result of their showing three runners will participate in the finals on Saturday.

Bob Reid, hampered by a strained ham-string, threw 49-3 in the shot, good enough for third place, and Tim Nee took a fourth in the high jump clearing 5'-9". Rick McCully won his trial and quarter final heats to earn a berth in this week's semi-final and final. Tim Nee, with a school record of 34.9 in the 300 and Ian MacInnis (4:41.0 in the mile) will also represent the Wildcats in the finale. Doug and Dave Spring missed by one or two places of qualifying.

Mon. Feb. 11...A very satisfying performance is the way the varsity's efforts in the conference meet may be categorized by all competitors. The Wildcats 33 points was second only to Andover's 49%. Individually, the varsity have seldom been better, as Tim Nee corralled a pair of firsts and Rick McCully one.

McCully's victory in the hurdles was accomplished in 5.9 seconds. A feat which rewarded him in three ways - with personal, school and conference records. Nee was slightly fantastic, winning the 300 in 35.3 seconds, his personal best for Phillips gage and outbounced a starry group of high jumpers to take that event at 5'-10". Tim wound up the afternoon's activity by anchoring the relay quartet to a second place finish. Tim was also the only double event winner in the meet.

Other fine performances were turned in by Bob Reid, second in shot at 49'-10" and Doug Spring with a new school indoor mark in the two-mile at 10:07.0. Doug managed to hold off a fast closing Plantamura of Methuen to take second place behind Dave Pratt of Andover. When asked after the race if he knew of Plantamura's closing kick, Doug commented, "I knew something was happening; I heard the Ranger runners cheering and I knew they weren't hollering for me." Ian MacInnis ran a fine race, placing fourth in the mile. Mac's time of 4:44.2 was his best for the Phillips Gage. Vastly improved Steve Napolitano joined fellow shot-putter Bob Reid in scoring as his 46'-1 1/2" was good enough for fifth place.

The Super-Stars put forth a tenacious defense and jumped out to a 27-0 first period lead and went on to whip Wilmington Ford, 82-63. At half time the Stars increased their margin to 46-17 and it was not until the third frame that Ford was able to score with any consistency, but the game was all but over. Steve Enos took game high scoring honors, tossing in 22 for the Stars, while Paul Lyman chipped in with 17 and Tom Beaton added 12.

RIK MCCULLY: Clears the final hurdle on the way to setting an all-time MVC record of 5.9 in the 30 yard hurdles in the conference meet Monday afternoon at Andover Academy.

Meet the candidates coffee hour

The League of Women Voters of Wilmington will be holding a "Meet the Candidates" coffee hour on Wednesday, February 20 at 7:30 pm at the Conference Room of the Wilmington Memorial Library.

The public is cordially invited to attend the coffee hour so that they will have an opportunity to speak with their candidates in an informal atmosphere.

At this time, the views and opinions of the candidates will be expressed in response to questions by those attending.

Arrangements are under the direction of Norma Rushton, voter service chairman.

Dance class filled

The response to adult ballroom dancing class, sponsored by the Wilmington Recreation Department has been so enthusiastic that plans are being formulated to have another class in the near future.

Class size had to be set at a 30 couple maximum in order to have the participants learn the dance skills in a proper manner. So far enough people have shown interest to more than fill two classes.

The first session, of the ten-week course, met last night at the Woburn Street School cafeteria and will continue every Wednesday evening at 7:30 pm through the duration of the course.

Professional instructor Tom Parker is providing the expertise in teaching many traditional and old favorite ballroom dances.
